Subject: NOTICE OF LEGAL ACTION.

Dear Stark,

All of my efforts to settle this matter amicably have turned out unsuccessful. I have made numerous calls and, to date have not had the courtesy of a call back. I have delayed legal proceedings up to now base on your assurances that i would be paid in full by 30th April 2013.

Please be advised that you have left me no choice but to file suit against (BBBY) immediately. My Patience has now reached its limit.

This matter will now be handed over to an attorney. While I regret the necessity of this action I must advise you to govern yourself accordingly.

Regards,

Riches,

I have seen the attached copies of your medical bill, the reason for this delay is because of the economic situation of the company presently but we promise to have payments sent to you not later than the 30th of this month.

Please bear with us as we wish to resolve this issue amicably.

Sincerely,

Dear Riches,

We are deeply sorry for the pain and damage our company must have caused you and i want to assure you that we are going to have your medical bills paid.

We are having troubles collecting monies owed to us and therefore caused us to slow down on production, which has resulted to not meeting up with demands.

We assure you that your medical bills will be taken care of before the month runs out.

Thank you for your understanding.

Stark,

It is more than a month time and I still have not heard from you concerning my medical bills. I must say this is a great disappointment. If i do not have funds in 5 working days you would be hearing from my lawyer.

Very truly yours,
